

Take control of your future today

*Have you recently been turned
down for long term care?*

*Have you experienced paying the
high-cost of home care in the past?*

*Have you ever wondered who would
take care of you in your time of need?*

www.homecareforless.com

Americare Home Care Services offers a way for you to plan for the future by purchasing home care hours in advance.

By purchasing hours on a pre-need basis, Americare Home Care offers up to 70% off the currently hourly rate.

This proactive approach ensures that you have the necessary hours of care available when you need them, allowing you to maintain your independence at home.
